

Preliminary Program

XII. International Innsbruck Anatomy Course
on Surgery of the Shoulder

With the experience of two decades of open and arthroscopic shoulder cadaver lab courses we are pleased to invite YOU to our

XII. INTERNATIONAL INNSBRUCK ANATOMY COURSE ON SURGERY OF THE SHOULDER 18 – 20 MAY, 2026

The course will be held at the Institute of Anatomy of the Medical University of Innsbruck | Austria in cooperation with the Department of Orthopaedics and Traumatology Innsbruck. The course will be devoted to open and arthroscopic shoulder operation techniques.

Highlights of the course will be hands-on, dry lab and cadaver laboratories for participants (alcohol-glycerine-fixed cadavers).
